

Agave's Glow House

5509 Agatha Circle

Live in a green, energy-efficient, modern, light-filled, open-floor-plan home in cool East Austin. Designed by one of Austin's hottest architects, Tony Salas, the Glow House is one of Agave's most popular modern homes.

- Only 6 miles from downtown Austin and just minutes to 183, I-35 and Mueller
- Built 2007, stunning contemporary architectural design, exterior features interior-lit "glow" windows, two-car carport, fenced yard, lots of storage, low-maintenance native xeriscaped landscape
- First floor features 12' high ceilings, polished concrete flooring, second floor features bamboo wood throughout, travertine tile in full baths, rolling hills and city views from oversized horizontal master windows
- Commercial grade energy efficient Gerkin windows
- Gourmet kitchen with stainless appliances, Silestone counters and custom cabinets
- Seller is asking less per square foot than similar models in area. This is one of the best lots in Agave!
- Zen-like urban living at its best!
